

## Queens Cross Housing Association Canal Drama Project Post Evaluation

To allow us to evaluate this project we need your help. Can you please answer the following questions. Thank you for your help

**Did the Project meet its planned objectives yes/no** Please give reasons for your answer

**Yes.**

The project delivery met the planned objectives highlighting the history of the canal to the young people. The work they did with the tutors related directly to similar projects in School and helped to re-enforce learning for all involved.

**Was the work undertaken by the Tutors satisfactory yes/no** Please give reasons for your answer

**Yes.**

The tutors have both been fantastic to work with! They have taken initiative on the project , adapting the work where necessary to meet the needs of the young people in the group.

The tutors have taken time to get to know individual young people, giving them space an opportunity to try new skills and gain a voice in the group.

**On a scale of 1-10 (1 being the lowest) please rate the attitude, work ethic, timekeeping etc of the Tutors and add on any comments**

10

The tutors were extremely reliable, arriving on time and well pre paired. They have worked in a positive way with the young people to challenge difficult behaviour and focus the group on achieving their goals.

**Please use this space to suggest any ways you feel the project could be improved. Please also add on any other comments you wish to make**

For the duration of the project we have seen young people grow in confidence, speak up in the group, make their opinions heard and contribute creative ideas.

On the day of the final performance teachers from the local school came to watch the children perform.

One teacher remarked “ I’ve never seen that child stand up and speak in public, it was amazing to see her stand up and speak with such relaxed confidence”

The head teacher of the school said “ That young person is in trouble on an almost daily basis, It’s amazing to see him engaging so positively with an activity”
